EDITORIAL

As you can see from the above Masthead this our FIRST issue of "Rocky Mountain Corsa" we certainly hope you will like it! Please give us your comments pro or con to my above address.

Why is a Rocky Mountain Corsa Club being formed? It is hoped it can be an informal group of folks who sincerely like and enjoy driving Corvairs, can exchange information, sell parts, cars, trade or whatever and MOST important of ALL TELL THE GENERAL PUBLIC CORVAIRS REALLY ARE A FINE CAR (eat your heart out Ralph) this we can do in several ways, by having displays of our cars at shopping center, rallies, automobile meets etc.

Most important of all, we need YOUR support, your first act of support should be to fill out the attached membership application form so we can get to know you better and bring it to the March 7th Meeting or mail it to Rich Harris at the above address.
Thanks, Editor

MEETING NOTES

The Rocky Mountain Chapter of Corsa held it's first meeting February 7th, 1973 at the home of Ted Rains in Golden, Colorado.

Our first meeting was informal and a open discussion was held on the thoughts as to how the club should be formed and governed. It was agreed by a majority of people present that the club should be kept as free and informal as possible with perhaps a Director and Sec.-Treas. being the only office held at this time. More on this at the March 7th Meeting.

A local membership fee or dues of \$5.00 for the year 1973 was agreeable to most members. This fee should be paid in March (March 7th) to the selected or volunteered Sec. - Treas.

A majority of members decided that it would be best to operate as a Chapter of the National Society providing the charter of the National organisation would permit us to do so. More on this too at the next meeting.

DOINGS

In April a mountain picnic of club members and their families is planned. Please offer your suggestions for a location of outings.

CORSA CONVENTION

This years National Corsa Convention will be a three day event held July 20th to July 22nd at the Sheraton Anaheim Hotel in Anaheim, California.

Events will include an autocross, concours, and banquet. See Rich Harris or Ted Rains for further information. It would be nice if the Rocky Mtn. Chapter could make a good showing. How about it guys?

WANTED

Cigarette Lighter for '65 Monza - - - - - Dick Luckin

PARTS AND CARS WANTED

180HP Turbo only	'66 or '65 Corsa 180HP
'65-'69 Alternator	Must be good to excellent

Fellow Corvair Owner and Enthusiast . . . CORSA WANTS YOU!

Let's face it — you're driving a great little car, right? What better way to demonstrate your love for this fine machine than by joining CORSA — short for the Corvair Society of America — an international association of Corvair enthusiasts.

Founded in 1969, CORSA provides a professional quarterly magazine containing technical and historical articles, road tests and magazine reprints, Corvair stories and photos of members' cars; a monthly bulletin filled with ads (free to members), questions and answers, articles, news and coming events; a membership roster and card and various identifying items like decals, jacket patches, and badges. Our long range goals are to increase your enjoyment of the Corvair automobile by making parts and technical assistance available, and to further the general public's appreciation of the car. CORSA members range from car collectors to racing drivers and include John Fitch of "Sprint" fame and Sonny Balcaen of IECO — the Corvair performance firm. If you share our enthusiasm for these superbly engineered and styled motorcars, why not join our Society today? We think you'll find it a worthy and rewarding investment!

----- DETACH HERE -----
