

With hopes that WINTER is easing, we're pleased to invite you to yet another

# Tri-State Tune-Up

On **Sunday, April 30, 2023** we invite you to drive, trailer, or push your Corvair to Schakey Acres, a tad west of Sedalia, for an afternoon of chat, dinking with Corvair stuff and avoiding household chores. And yes, we'll figure out something for lunch!

We open for Corvairs around noon, and you're welcome to hang until 4:00pm or thereabouts. Look for 7082 Piute Drive, Sedalia...

*\* You might want to bring a folding chair or two, just to make sure you're not outstanding in our field!*

## Special Features!

- ☛ **Pulled Pork** will be the featured sandwich item, and we'll have cheese slices, buns and condiments. We hope you'll bring appropriate 'picnic' side dishes, desserts, etc.
- ☛ Water and lemonade provided, BYOB or weird drinks if you're so inclined. No charge, but keep your eye out for the handy RMC donation jug!
- ☛ Free Corvair diagnosis, featuring pro, amateur, and downright silly opinions. Heckling available upon request, or more likely without request...
- ☛ Parts consultation with various experts (and experts-in-training). Many late model example parts can be dredged up!
- ☛ **Progress!** See Schako Ringer #001, now under construction
- ☛ If nothing else, it's a great opportunity to BS with fellow Corvair folk

As always, **Think of this as Spring Cleaning for your Corvair...**
